

INFORMATION AT YOUR FINGERTIPS

You can have instant access to all Dassel-Cokato Activities Schedules. This includes dates, time, location, schedule changes and bus departure times. Maps will be available for away locations of sporting events. In addition, you will be able to see all Wright County Athletic Schedules on the same site at the touch of a keyboard! This site will be updated daily, as necessary, to have the most current and accurate information available to you. This will include cancellations due to weather and other changes. We think this will be particularly helpful in the winter and spring when weather is such an important factor with schedules.

For parents and others who do not have internet access, contact the Activities Office at (320) 286-4100 ext. 1811.

You can easily access school events on-line at the Dassel-Cokato Activities Events Calendar. Please follow these easy steps to get you there:

1. Log into: www.dc.k12.mn.us
2. Click on red *Activities* tab
3. Click on *Events Calendar*
4. Click on *Go To Advanced View* (Bottom Right Hand of Screen)
5. When you open up this screen, you will have the option of sorting all activities by any combination as shown on the screen such as by sport, age level, fine arts etc. Highlight which activity you want to view the schedule for.
6. Scroll down to the bottom of this screen and click on *Show Activity Report*. You will find the data on that activity including the time etc.

From there you can view an individual date or a given month to see a schedule.

You can also click on a specific activity or sport and view a schedule. These schedules can be printed or e-mailed to interested parties such as family members, etc.

You can view multiple schedules by holding down the control key and highlighting the respective schedules.

An additional feature on the Dassel-Cokato Activities Events Calendar page of the conference website is an opportunity for anyone to request e-mail notifications and text messages to "remind them" of any sports or fine arts schedules or to be notified if/when schedule changes occur (particularly helpful in the spring!). To sign up for email or text message notification, please click on the "notify me" icon and then follow the prompts.
