## **910dc LIABILITY INSURANCE**

### **I. PURPOSE**

The purpose of this policy is to require booster groups and non-school sponsored school organizations to show proof of liability insurance when involved with school students or using school facilities.

### **II. GENERAL STATEMENT OF POLICY**

It is the school districts policy that all organizations such as booster organizations, that are not organized under Community Education, show proof of general liability insurance. The insurance shall cover both bodily injury and property damage.

### **III. INSURANCE GUIDELINES**

A. Each organization shall show proof of insurance, i.e., a certificate of insurance, in the amount equal to or greater than the districts own liability insurance policy. This proof of insurance shall be required prior to organizations having organized activities on school property or representing school functions at off-site locations.

B. Organizations that have registered as an activity with Community Education will not be required to show proof of additional insurance as there are covered under the districts insurance policy.

C. Although not required under this policy, it is also recommended:

- i. that leadership in organizations have *Directors* and *Officers* insurance;
- ii. that leadership have criminal background checks completed.
